

Quality Play Statement

Mission Statement 2012

Excellent providers of safe stimulating and fun social opportunities for children and young people with disabilities.

We aim to provide consistent, good quality play care for 5-19 year old children and young people, in a safe and stimulating environment.

All individuals and their families are respected.

Every effort will be made to ensure that each child and young person receives equal opportunities to play and learn at a level appropriate to their development.

The choice of activities and the atmosphere of our clubs aim to encourage confidence, independence and enjoyment for all.

Our work aims to enable children and young people to develop their emotional, social, cognitive, interpersonal, and physical skills, and their desire to explore, discover and be creative.

Staff will support, recognise and promote achievements by all children and young people.

Wherever appropriate, children and young people will be involved in the process of planning activities so that the programme reflects their opinions, and so that children feel some ownership over their club. Our clubs are committed to the principle of involving and consulting children and young people whenever decisions are made within the club that affect them.

Children and young people attending our clubs are supported to reach their full potential.
